

**City of Colton  
Public Works Department**

**NOTICE OF INTENT TO ADOPT  
PROPOSED MITIGATED NEGATIVE DECLARATION  
Barton Road Bridge Removal and Reconstruction Project**

Description of Project: The Cities of Colton (CEQA Lead Agency) and Grand Terrace in cooperation with Caltrans, proposes to remove the bridge (State Bridge No. 54C0379), fill the area over the UPRR railroad corridor/SCE easement, and replace the bridge with a two-lane at grade asphalt roadway. There is also the need to provide continuous pedestrian and bicycle access along this stretch of Barton Road through implementation of sidewalks and Class II bicycle lanes to meet the requirements of both the Cities of Colton and Grand Terrace. The Project boundary is approximately 2.9 acres. Improvements to Barton Road will begin at the east side of Terrace Avenue intersection in the City of Colton and extend to approximately 100 feet west of the intersection of Grand Terrace Avenue in the City of Grand Terrace. The curb-to-curb roadway width of 44 feet widens to approximately 70 feet of west Grand Terrace Avenue to tie into the improvements that have been made to the Barton Road/I-215 interchange. The total length of the roadway improvements is approximately 1,100 feet. The roadway will accommodate a 6-foot wide sidewalk on the north and south side of Barton Road, an 8-foot wide striped Class II bicycle lane on each side of the roadway and 14-foot wide travel lanes. **Land configurations transition to join existing improvements west of Grand Terrace Avenue.**

Location: On Barton Road, between Terrace Avenue and Grand Terrace Road, including portions of APNs: 0257522322, -24, -27, -44, -59, and -62; 116712102, -03 -04, 06, and 07; and 116705102, and -18

The site is not on any of the hazardous site lists enumerated under Section 65962.5 of the Government Code.

Public Review Period: July 19, 2021 to August 18, 2021

The Initial Study and other documents used to support the proposed Mitigated Negative Declaration are available for review at the following location: 106 South 10th Street, Colton, California 92324 and on the City's Environmental Document website located at: <http://www.ci.colton.ca.us/index.aspx?nid=779>. Please submit your written comments no later than close of business August 18, 2021 to Victor Ortiz, PE. Mr. Ortiz may be contacted at: (909) 370-5065 or at [VOrtiz@coltonca.gov](mailto:VOrtiz@coltonca.gov).

The City of Colton, acting as the Lead Agency under CEQA, will consider the project and the Mitigated Negative Declaration at a future public hearing. The date and time of the public hearing will be determined at a later date and will be appropriately noticed.
