Good Afternoon Mario,

Thank you for your time this morning.

We would like to make a formal request to be added to the Dec 21st 2021 Council meeting to request removal of parcel 0163-182-01 (on Rancho Ave) from the Housing Element.

Current zoning is not conducive for high density residential as this property is located on a busy industrial thoroughfare and is directly adjacent to a BNSF rail line and future Intermodal Hub.

Please confirm receipt when you can.

Sincerely,

Debbie Hanna & Janet Jones
