RANDY RIVERA

Coach ▪ Community Leader

Randy Rivera, a lifelong Colton resident, has been a constant figure in Colton youth sports for over three decades. As a youth, father, and grandfather, he coached and managed teams for Ken Hubbs Little League, Carl Rimbaugh, Colton T-Ball, Colton Pony and Colton Youth Soccer. His patience with youth and mentorship to other coaches and volunteers was consistent and he continues to be a guidepost for many. Randy retired from the City of Colton in 2004 after 34 years within the Public Works Department. After retirement, Randy became a Community Leader within the American Cancer Society, actively volunteering for the annual Relay for Life as a cancer survivor, committee member and Chairperson.
