Colton High School

Founder & President of The Ken Hubbs  
Foundation

Keith Hubbs was born and raised in Colton, a Colton High School athlete, a beloved husband and father, and founder of The Ken Hubbs Foundation. At CHS, Keith played and earned varsity letters in football, basketball and baseball. As halfback, Keith rushed for over 1,000 yards, receiving CIF and All-American Honors. He was the first CHS athlete to be All-American and was selected to play in the 1956 All-American Football Game in Memphis. In 1964, Keith founded The Ken Hubbs Foundation with just four schools. Keith served as President for nearly 40 years, and in 2022, there are 26 schools. In the eyes of so many, Keith was a leader on and off the field, and he took the great City of Colton to new heights.
