## FREDRICK L. VENEGAS

Coach ▪ Mentor ▪ Community Leader

Fredrick L. Venegas has volunteered over 35 years to coaching and involvement in the Colton T Ball League. As a retired Veteran of the United States Marine Corps, Fred's dedication to community service goes above the call of duty. His passion for teaching fundamentals extended beyond coaching his own children, including his three daughters, two grand-daughters and at least four generations of his nieces, nephews and other community members, where he has remained a vital part of their lives into adulthood. He has held the position of League President, Active Board Member and other key roles through the years and has been honored by the T Ball League directly.
