TERMS AND CONDITIONS

ELIGIBILITY

- Any Customer of the City of Colton Electric Utilities with Time of use Account TOU, or TOU-1 who installs an approved measure in accordance with the Rules and Requirements of the Custom Measures Rebate Program
- Pre and Post installation inspection are required for **ALL** rebates.
- I understand that a rebate will not be paid if I refuse the request for verification.
- Rebates are on a first come first serve basis, the program will end when all approved funding has been spent.
- Rebates are limited to \$100,000 per customer, per fiscal year.

APPLICATION

- This signed and dated application, copies of proof of purchase and other required supporting documentation must be sent to Colton Electric Utility postmarked no later than four months from when the work was completed.
- I am responsible for filling out the application completely, truthfully and accurately.
- I understand that Colton Electric Utility is not responsible for items lost or destroyed in the mail/transit.

TIME SCHEDULE

- Please give The City of Colton Electric Utilities Department adequate time to review and approve your application prior to starting your project. The approval process may take up to two weeks.
- Work should be completed within six (6) months of application approval.

PAYMENT

- **Maximum rebate amounts are \$0.10 per kilowatt hour in load reduction, for the first year only.**
- **The rebate is not to exceed 50% of the total materials and equipment costs.**
- Payment of the rebate is conditional that all correct supporting documentation be submitted with application.
- Colton Electric Utility will mail rebate checks greater than \$500 for qualifying items within six weeks of receiving a completed application. For rebates less than \$500, a credit will be placed on the customers utility account within 2-3 billing cycles.
- All Rebates will be issued to the Colton Electric Utility customer unless a letter of authorization is provided to the third party.

FOR COLTON ELECTRIC UTILITY USE ONLY
